## **Chairman's report November 2020**

Hope you all had a good Christmas and New Year

I would like to thank Penny and Paul Johnson for the donation of Christmas tree also anyone who donated lights and balls, thanks also to Laurie and Russell for putting it in place it was a nice welcome to the village.

I have spoken to an allotment holder about the rats and several have been caught and he will keep putting traps down but as you know it is an ongoing problem and I do not think bringing in someone in to sort this out is going to help.

Di, Michele and I met with Dave Carey (Highways Officer) about removal of bus shelter as it is near the road they would be able to put up a pedestrian walkway (at a cost to the PC) and we will need to put skip somewhere during demolition.

We also went to see number 14 Hill View, about plans to erect a house and Michele submitted our findings to the planning department.

Notice board has been put in the allotments and thanks to Laurie Goff for sorting this out.
