MAIDEN NEWTON PARISH COUNCIL

Chairman's report July 2021

As you know we were unable to have this meeting last year because of lockdown. Since 2019 the MUGA hut has been erected with an electric and water supply, which the PC is responsible. I would like to thank Steve Bevis for his commitment and support during this time.

There was a change of personal in 2020 when we said goodbye Alan, Anne and Gary and welcomed Michele as our Clerk and Di Padfield back as a Councillor.

It was a strange year with zoom meetings etc and a lot of different rules and regulations. I would like to thank John Ball for doing the internal audit and Chris Slade for walking footpaths and bridleways for the PC and reporting any problems also thank you to the Poo Fairies.

We have tried to address problems that have arisen over the year and hope to continue to do so in 2021. Last but not least I would like to thank all Councillors and Michele for their dedication and hard work over the last year and the support they have given me as Chair.

Allotments

We have had several allotments cleared over 2020 and I have had several meetings with the Allotment Association Chair, Charles to address some of the problems that have arisen, a new notice board has been installed and nearly all the allotments are occupied.

Trena Fox

Chairman

Maiden Newton PC
